Effective July 7, 2013: If you cancel your lesson with less than 18 hours notice, you will be billed for that lesson. The 18 hours notice is to allow me time to rearrange my schedule. If you are able to reschedule within the same week and I can find a replacement for your scheduled lesson, you will not be billed. This policy excludes cases of last minute illness or injury. If you must cancel due to illness or injury, please let me know as soon as you are able.
